

ALU SQUARE MINI

Wall sconce series. Fixtures consist of:

- Multi-step powder-coat painting process, optimized against UV rays and corrosion.
- Copper-free precision machined anodized aluminum housing and optical compartment.
- Satin UV-stabilized diffuser.
- Custom molded, anti-aging gasket(s).
- Stainless steel external hardware.
- Custom MCPCB utilized to maximize heat dissipation and promote a long LED life.
- Wall effects light emission.

- To be used with a low-voltage, constant-current (700 mA) driver (ordered separately, consult factory for more information).
- Consult factory for dimming options, custom finishes (please specify RAL color), and non-cataloged CCT (Kelvin) options.
- Matching junction box plate optional accessory available (ordered separately).
- 5-year warranty.
- Marine Grade finish.
- Consult factory for any Buy American Act (BAA) or Build America Buy America Act (BABAA) requirements.
