

# INSERT+2 V

Recessed wall steplight series. Fixtures consist of:

- Multi-step powder-coat painting process, optimized against UV rays and corrosion.
- Copper-free (<1%) precision die-cast aluminum housing and ring/faceplate.
- Frosted, tempered, silk-screened, flat glass diffuser.
- Custom molded, anti-aging gasket(s).
- Custom MCPCB utilized to maximize heat dissipation and promote long LED life.
- Input voltage: 120-277 V (50 / 60 Hz), integral driver.
- Pre-wired factory sealed cable for external electrical connection included.
- The luminaire may be configured with numerous options and multiple standard finishes.  
Not all options are available in all configurations. Consult factory for more information about specification sheet details to build your light.
- Stainless steel recessed rough-in kit to be ordered separately.
- 5-year warranty.
- Marine Grade finish.
- Suitable for Natatorium applications.
- Consult factory for any Buy American Act (BAA) or Build America Buy America Act (BABAA) requirements.

## FINISHES

- AN-96 / Iron gray / Textured
- GR-94 / Aluminum metallic / Textured
- WH-87 / White / Textured
- BK-81 / Black / Textured
- RB-10 / Iron rust / Textured
