

Pathway bollard series. Fixtures consist of:

- Multi-step powder-coat painting process, optimized against UV rays and corrosion.
- Copper-free (<1%) aluminum extruded post.
- Custom molded, anti-aging gasket(s).
- Stainless steel external hardware.
- Custom MCPCB utilized to maximize heat dissipation and promote long LED life.
- Input voltage: 120-277 V (50 / 60 Hz), integral 0-10 V dimming driver.
- The luminaire may be configured with numerous options and multiple standard finishes. Not all options are available in all configurations. Consult factory for more information about specification sheet details to build your light.

- Steel ground base plate included for bollards.
- Anchor bolts available for bollards (ordered separately).
- Suitable for most coastal applications.
- Contact factory for any Buy American Act (BAA) or Build America Buy American Act (BABAA) requirements.
- 5-year warranty.

FINISHES

- AN-96 / Iron gray / Textured
- GR-94 / Aluminum metallic / Textured
- BK-81 / Black / Textured
- WH-87 / White / Textured
- RB-10 / Iron rust / Textured
